**Transition from
ICD-9 to ICD-10
October 1st, 2013**

Vendor Questions

- 1. Is your software capable of storing more than 100,000 codes?**
- 2. Can the software handle eight digit codes?**
- 3. Will the program be capable of importing the new codes by specialty?**
- 4. Will the system include a translator or crosswalk feature?**

Medical Office Preparations

- 1. Study the new ICD-10 structure**
- 2. Re-design your Superbill(s)**
- 3. Prepare to change your favorites list in your EMR**

13,000 ICD-9
Vs.
68,000 ICD-10

1 to 1 Relationship

- **789.01 => R10.11 Chest Pain Upper Right Quadrant**
- **789.02 => R10.12 Chest Pain Upper Left Quadrant**
